Friday 23 rd June	Last Day of Term 2

PRINCIPAL'S COLUMN

School Values: Respect, Responsibility, Kindness and Collaboration.

MATHS VISIT. Last Friday 19 principals and teachers from nearby schools visited us to observe our approach to teaching maths. The visit focussed on observing our Maths Workshop Model (how we teach Maths) and the strategies we use to challenge and extend student learning to improve our student achievement data. In 2019 22% of Grade 5 students achieved in the Top 2 Bands for Numeracy (NAPLAN) this figure increased to 35% in 2021 and 36% in 2022 (both above like schools). The feedback from our visitors included:

- Calmness. The teaching spaces were quiet, neat and well organised.
- Orderly. The teachers and children knew what to do. The lessons started with the teacher working with a small group of students to help them achieve their Maths goals. The other children independently gathered their materials to quietly start playing a Maths game related to the focus of the lesson.
- Engagement. The children enjoyed the challenge of the tasks, helping to create a calm and orderly environment.
- Enthusiasm. The teachers obviously enjoy teaching maths and the children were enjoying the tasks.

REMEMBRANCE DAY. Tomorrow we will acknowledge this day with a minute silence at 11:00am. Our Grade 6 students will attend the Anglesea RSL ceremony at the new War Memorial in the morning.

VSGA 2022: Recently I provided some details around the new 2022 Victorian Government Schools Agreement that Department of Education and Training (DET) employees work under. This is an agreement between the Australian Education Union (AEU), other representative parties and the Government of the day. There are some great conditions that have been negotiated and principals are now working through the implementation of the

Agreement. The Agreement will cause some changes as we know it and I hope the community will understand and support staff during these changes. A number of events that have traditionally occurred, now require in depth planning about the Time in-lieu (TIL) accrual and acquittal. Teachers have never been paid overtime or had TIL provisions but in this agreement, they are entitled to TIL. Teachers are required to work 38 hours per week. Many of the events schools love and enjoy providing occur outside of the 38 hour work week. For example Camps, Graduation, Village Fair, Spooky Disco, Parent/carer/teacher meetings and Information sessions. We are working towards finding solutions on many of these activities without any extra funding from DET to pay staff or release them from duties with a replacement teacher.

CURRICULUM DAY. A reminder that Friday 25th November is a pupil free day with staff at school preparing for 2023.

PREP TRANSITION. Tomorrow our 2023 Preps will attend their 4th transition session at school from 10-11:30am.

ASSEMBLY. Assembly will be held at 3pm in the Stadium tomorrow – all welcome.

Anglesea PS: great staff, great students, great community = great school!

Murray Surkitt.

Principal.

Sick Bay Laundry Roster – Term 4

We need people to go on our sick bay roster. This would involve changing the bedding. i.e. washing the sheets, pillow cases, doona cover each Friday. If you can help, please send me an email anglesea.ps@education.vic.gov.au or pop into the office and see me. Thank you to Sonia for doing the sick bay washing over the last two weeks.

Roster

Term 4

Friday 18th/25th – Emma Sydneham

Friday 2nd/9th December – HELPER NEEDED PLEASE

Friday 16th December - HELPER NEEDED PLEASE

Thank you

VILLAGE FAIR

Village Fair Team - 2023 will meet next **TONIGHT** Thursday at 7pm at Last One Inn. All welcome and feel free to bring any ideas or suggestions along to the meeting.

Marcelle

Beach Safety & Awareness Program 2022

Dear Parents/Guardians,

As you may be aware, the 2022 Beach Safety and Awareness Program is fast approaching us.

Our Beach Safety and Awareness Program will run for two weeks during weeks 9 and 10 at Point Roadknight Beach. We are very fortunate to again have Go Ride a Wave involved in our program.

Week 1 begins *Monday 28th November through to Friday 2nd December (excluding Wednesday 30th November)* and

week 2 begins *Monday 5th December through to Friday 9th December (excluding Wednesday 7th December).*

This year, our program returns to a similar format as pre-covid. The format will be that students either arrive at school in the beach attire or will get changed at school before travelling by bus to Point Roadknight Beach. Classes will complete both a water session (facilitated by Go Ride a Wave) and an on beach session (run by their homegroup teacher). At the completion of their water session, students will get changed at the Point Roadknight change rooms before returning to school by bus. On the final day of the program students will participate in Nipper Style activities.

A participant survey, medical and swimming permission form will be sent home tomorrow. We are asking that all responses are returned to school by **Thursday 17th November** at the very latest.

The school has a small range of wet suits available to borrow if your child/ren does not have access to their own. Please let me know before Friday 25th November.

The program details are as follows:

<i>Junior R</i> Departing school @ 9:30am <i>Lesson @ 9:45am - 10:15am</i> Returning to School @ 11:15am	<i>Junior J</i> Departing school @ 9:30am <i>Lesson @ 10:15am – 10:45am</i> Returning to School @ 11:15am	<i>Junior S</i> Departing school @ 10:30am <i>Lesson @ 10:45am – 11:15am</i> Returning to School @ 12:15pm
<i>Junior P</i> Departing school @ 10:30am <i>Lesson @ 11:15am – 11:45am</i> Returning to School @ 12:15pm	<i>Senior G</i> Departing school @ 11:30am <i>Lesson @ 11:45am – 12:15pm</i> Returning to School @ 1:15pm	<i>Senior V</i> Departing school @ 11:30am <i>Lesson @ 12:15pm - 12:45pm</i> Returning to School @ 1:15pm
<i>Senior A</i> Departing school @ 12:30pm <i>Lesson @ 12:45pm – 1:15pm</i> Returning to School @ 2:15pm	<i>Senior LT</i> Departing school @ 12:30pm <i>Lesson @ 1:15pm – 1.45pm</i> Returning to School @ 2:15pm	

For any questions regarding the Beach Safety and Awareness Program, please come and speak to me.

Regards,

Duncan Lester

Wellbeing News

Anxiety in Kids and Teens

Anxiety is a really normal human experience. Sometimes it can become too big, and when children get caught in the tail whip of anxiety, it can swipe at their belief in themselves, their engagement with the world, and the glistening unfolding of their potential – but it doesn't have to be this way. Anxiety is very manageable, and any important adult in the life of a child has a profound capacity to strengthen children and teens against anxiety and towards courage and resilience. With all anxiety, comes opportunities to strengthen children and teens with a mindset, skills and qualities that will lead them towards deeply fulfilling, brave, whole-hearted living.

The link below, to the Hey Sigmund website by Karen Young, author of Hey Awesome and Hey Warrior, has some excellent resources, ideas and strategies to support adults, parents and teachers, in supporting their mini humans with the challenges that big worries can bring. From articles, videos and webinars for both adults supporting kids as well as support resources for children and teens.

Junior News

Request: The **Wallabies** will be commencing a unit of work around **units of measurement**. We would really appreciate it if you could send in empty bottles, milk cartons, cereal boxes etc. Students will be using these to explore and help them understand litres, millilitres, grams and kilograms.

It's been another busy week of learning in the JLC. Here is a snapshot!

Wallabies- Bounding into Learning

The Power to persuade

Continuing our work on persuading our readers to our point of view, the Wallabies viewed tourism videos promoting Australia. They 'zoomed in' to the techniques used to persuade people to come to Australia. (The music, persuasive language, photographs and voice overs). Next, students brainstormed what would promote Anglesea and what information they would need to give their reader. The Wallabies also decided that the author's purpose would be to inform, persuade and entertain. The Wallabies then planned and created an i-Movie promoting Anglesea with the title, 'Where the Bush Meets the Sea.' Students were successful with including the location of Anglesea, photographs of what makes Anglesea unique and special, voice overs and music to set the tone of their tourism video.

Piranhas- Snapping up Success

The Piranhas have been making the best of the hot weather by taking their learning outside. In Maths, students have been playing the game Garbage Bin consolidating the strategies they have learnt over the year (counting on, making 10, doubles, near doubles). In Reading, we continue to read short, complex texts such as 'Automobiles: Then and Now' zooming in to language and images to help us answer comprehension questions. This week in Writing, students sequenced the steps to different tasks. We then wrote an instructional text on how to make a pizza using subject specific vocabulary such as 'dough', 'toppings' and 'crust'.

King Parrots

This week in Literacy the King Parrots practised their letter formation and sentence structure using playdough! Students collaborated to decide on a sentence and then

carefully formed each word together.

Senior News

Requests

- We are running low again on tissues. If you can donate a box it would be greatly appreciated!
- If anyone has shoe boxes that they can donate for various projects that are happening at school, it would be greatly appreciated.

Healthy Eats Brain Breaks

Students in Grade 3/4 have daily 'Healthy Eats Brain Breaks.' We are going through large amounts of fruit each day from the school-supplied fruit bowls that are in the 3/4 learning spaces. If possible, can we please ask that parents/carers provide extra vegetables or pieces of fruit that are clean and easy to eat in class and a plastic refillable water bottle for your child to eat and drink during our 'Brain Food Breaks.'

***It is important to note that 'Brain Food Breaks' do not replace the food eaten at recess or lunch. This healthy snack is in addition to the foods already packed.*

Bluearth

This week in Bluearth it was the Cook house captains turn to run the session. The Grade 5/6's warmed up a game of 'Octopus'. As part of their skill practice, the students practised passing, rebounding and shooting for their main numbered basketball activity. Well done to Cohen for planning this session and Joaquin for helping him out!

Surf Club - 70th Anniversary

On Monday the 5/6 students were invited to the Anglesea Surf Life Saving Club to see an exhibition on the 70-year history of the Surf Life Saving Club. When we first arrived, Lou gave us some information about how the Surf Life Saving Club was created and some historical events over the past 70 years. The students could then freely walk around the display and read the articles and view the photos. We were very grateful to have this opportunity to link up with our local community. Below are some photos of the students.

Kinder Visit

On Tuesday the Grade 5's walked down to the Kinder to meet up with their buddies and play in their environment. They had an amazing time playing with all sorts of toys and enjoying the nice weather. The Grade 5's were super excited to hear that we are having another prep transition session this Friday. Below are some pictures of the grade 5s with their buddies.

At Home Reading

We expect every child to read for at least 20 minutes at home every day. This helps to build fluency, reading skills and strategies that your child is working on in class and helps to foster a love for reading.

Xmas 22

The Lions Club of Anglesea Present Lap The map

November 12-14

Can Anglesea citizens collectively walk to Adelaide to support Diabetes Awareness, Prevention and Research?

Walk from the Shelter in the Anglesea Lions Park Reserve to the Beach and return on Saturday, Sunday and Monday Nov 12-14 in collaboration with Lap the Map to raise money for Diabetes Awareness, Prevention and Research. Together we will aim to have a combined distance of 729km to reach Adelaide.

Option 1: Walk to the Beach Playground and return - 2 kms
Option 2: Walk to the Beach and along to the Surf Club Ramp and return - 3 kms

Register at the Lions Park Reserve between 9am and 11.30 am on Nov 12-14. Walk with your family and friends at your leisure, alternatively email us and we will compile the total distance walked.

Gold Coin Donation
All funds raised will go towards Diabetes awareness, prevention, and research
