

Important Dates

13/06/2025

TERM 2	
Thursday 26 th June	Calvary Cordelia Grove Aged Care Visit (SRS).
Tuesday 1 st July	Mid-year parent/carer/teacher conversations.
Friday 4 th July	End of Term 2 - 2.30pm finish.
TERM 3	
Monday 21 st July	Start of Term 3.
Wed 23 rd – Fri 25 th July	Year 5-6 Camp.
Thurs 14 th – Fri 15 th August	Year 2 Camp.
Wed 27 th – Fri 29 th August	Year 3-4 Camp.

PRINCIPAL'S COLUMN

School Values: Respect, Responsibility, Kindness and Collaboration.

Child Safe Anglesea Primary School is a child safe organisation which welcomes all children, young people and their families. We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students. We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments. Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as LGBTQIA+ and other students experiencing risk or vulnerability. Child safety is a shared responsibility.

Our Vision Anglesea Primary School is a creative and fun learning environment, that is accepting of all and promotes the following values: Respect, Responsibility, Kindness and Collaboration. Students will strive for personal best, becoming independent and resilient learners who make a positive contribution to the community and environment.

Our School Values

Dear Anglesea Primary School families,

Yesterday I had the privilege of attending the visit by the students of SRR with the residents of Calvary Cordelia Grove Aged Care. It was a great opportunity for these Year 5-6 students to step out of their classroom into the community to engage with the residents. There was plenty of school pride and values on display as students exceeded all expectations with their professional, courteous and friendly conduct. The students in SRS will have their turn in a couple of weeks, and I know they will also make us all proud.

Parent – Teacher Conversations

Bookings for our semester 1 parent – teacher conversations are nearly full. These are an optional meeting and are first in, best dressed, so some families may have missed out. If you did miss out, please contact your classroom teacher for an alternative opportunity. Bookings are for Tuesday 1st June, which is the week after you receive Semester 1 reports. The house and school captains are busy planning a fun set of activities for students to do during these interviews which will release teachers and classrooms for these meetings to take place.

Semester 1 Reports

Thank you to all our teachers for their efforts with writing our Semester 1 reports. These will be sent to parents/carers on Thursday 26th June via Compass. There is a letter attached to this week's newsletter outlining a key change in the way schools report on Mathematics. Aside from this change, the reporting structure remains the same at Anglesea Primary School, with teachers working hard to give a clear written description of student teaching and learning across the multiple areas of the curriculum. We hope these are a valuable source of information to strengthen the home-school partnership.

School attendance

Respect: We speak nicely to each-other and allow others to learn.

Responsibility: We are on task and always try our best.

Kindness: We are friendly, listen to others and behave in a safe manner.

Collaboration: We learn together and help each-other.

Families may have noticed the new entry pass system at the office. The entry pass is designed to signal to the teacher that a student has been marked in at the office and are no longer on the roll as an unexplained absence. This will ensure we always know who is at school and will also help teachers to focus on teaching and not on interruptions. This entry pass is a trial that will continue for the remainder of the term, so if you have any feedback, please let me know. At Anglesea Primary, we prioritise regular school attendance because of the daily learning, friendship, fun and opportunities that can shape your child's future.

Parent Social Club

I met with Amanda and Cassie this week to plan the re-activation of the parent social club, or parent club as it is commonly known. This club has been dormant for many years but is making a comeback thanks to the energy of these two parents. I want all families to know that this club is fully endorsed by school council, and we feel it will be a valuable connection point for parents interested in planning events to better connect families with their school and each other. Amanda and Cassie are also looking at connecting regularly with our student voice leaders to gain a better understanding of their interests and passions for the school. There is a flyer attached to this newsletter with the opportunity to join up with this group.

Weekly Gratitude

Monday's curriculum day was an important day for staff. We had 20 staff in attendance, with a focus on supporting challenging behaviour in the classroom. Staff reflected on themes such as triggers, de-escalation, adjustments, tolerance building, and safety all through a strengths-based lens. If you want to know more, please contact a member of staff. I feel a sense of gratitude that we prioritised this day for staff to work alongside peers to focus on these important themes.

Have a great weekend and thanks for all the positive things you say and do at Anglesea Primary School.

Russell Taylor-Shaw (Mr T.S.)

Acting Principal

Helping at Our School...Thank you.

Sick Bay Laundry Roster –

We need people to go on our sick bay roster for term 3. This would involve changing the bedding. ie washing the sheets, pillowcases, doona cover each Friday. If you can help, please send me an email

anglesea.ps@education.vic.gov.au or pop into the office and see me. Each parent will be put on the roster for 2 Fridays. Thank you to Caro for your help over the last 2 weeks.

TERM 2

Friday 13th & 20th June – Chloe Wallace

Friday 27th June & 4th July – Twiggy Finemore

TERM 3

Friday 25th July & 1st August – Amelia Grant

Friday 8th & 15th August – Sonia McCall - White

Many thanks

YARD DUTY ROSTER:

As you would be aware, at the start of the year you were given the choice to go on the Yard Duty Roster or pay the \$50 levy to go towards the cost of employing a gardener. Either way we greatly appreciate your contribution to keeping our grounds safe and tidy. The following roster shows the weeks when your family is rostered on. You will receive an email during the week with the small task that we ask you to do. Thank you to the Clemens Family for their work in the yard.

FAMILY NAME	WEEK BEGINNING
Crookshanks Family	16 th June
Crowcroft Family	23 rd June
Cummins Family	30 th June
Edwards Family	21 st July
Fletcher Family	28 th July
Flynn Family	4 th August

Junior Community

Reminders

- Please label all personal belongings (including drink bottles and lunch boxes)
- Encourage your child/ren to put their bags into their locker and go outside for a play on the playground when they arrive at school
- Wear comfortable running shoes on Monday's and Tuesday's/Wednesday's for Bluearth and PE
- **Could each family please bring in a box of tissues as a donation to our learning space**
- Grade 1/2 students need a shoebox to create dioramas, could you please bring one in for you child/ren

Class in the spotlight - Jnr A

This week in Junior A we have been learning about different animals and their habitats. We used this learning to collect materials to build dioramas for our chosen animals. In Maths, we have been learning about data and the different types of graphs that we can create to display this information. In English we have been learning how to create sentences that have a Noun, Verb and Adjective in them to make our writing more engaging for the reader.

Katie, Tom and Lachlan (The Junior Team)

Senior Learning Community

It's been another fun week of learning in the Senior Learning Community.

Grade 3/4s

This term students have been learning about the planets and our solar system. Last week students created a learning resource from the facts they had learnt about Neptune. Today we learnt about the different layers of the Earth's atmosphere. Students began learning about note taking techniques which they will then use to write an information paragraph.

At Home Reading

We encourage every child to read for at least 20 minutes at home every day. This helps to build fluency, reading skills and strategies that your child is working on in class and also helps to foster a love for reading.

Donation Requests

Could we please request families donate a box of tissues for the learning space that their child/ren are in. Thank you.

Legend of the Week

Legend of the week forms part of our school's wellbeing program. Each week, every class has a student (this week their teacher) who is the Legend of the week. Through negotiation with the teacher, the student may wish to bring in something to share (photos etc.) to help everyone get to know each other. At the end of the week, a poster is created with messages from all of the students.

Subject: Student reporting update

Dear parents and carers

I am writing to let you know about the changes to student reporting for mathematics in Victorian government schools.

The Victorian Curriculum and Assessment Authority (VCAA) recently published its revised mathematics curriculum (Mathematics curriculum 2.0).

All Victorian government schools will start using the Mathematics curriculum 2.0 in 2024 or 2025. At Anglesea Primary School we are using the revised mathematics curriculum for school reporting from Semester 1, 2025.

On your child's previous report, the teacher reported against the 3 strands of the achievement standard for mathematics (Number and Algebra, Measurement and Geometry, and Statistics and Probability). Under the Mathematics curriculum 2.0, your child's teacher will report against the achievement standard as a whole, providing a single, aggregated score.

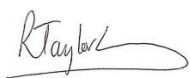

As the achievement standards reported on have changed, the first time you receive a report under the Mathematics 2.0 curriculum, it will only show achievement and not progress. For all reports after this, progress will be shown against the single achievement standard.

The VCAA made these changes to help teachers plan their teaching and learning programs in mathematics, giving them more flexibility to support students to link ideas within mathematics and also with other curriculum areas.

For further information, refer to the department's policy on [Reporting Student Achievement and Progress Foundation to 10](#).

If you have any queries about your child's report, please contact your child's classroom teacher.

Sincerely,

Russell Taylor-Shaw

Acting Principal Anglesea Primary School Ph: 5263 1231
