School Values: Respect, Responsibility, Kindness and Collaboration.

Child Safe Anglesea Primary School is a child safe organisation which welcomes all children, young people and their families. We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students. We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments. Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as LGBTIQ+ and other students experiencing risk or vulnerability. Child safety is a shared responsibility.

STUDENT LEADERSHIP PROGRAM

PROFILES – NEW STAFF

CARLA HOWARD. GLOBAL STUDIES TEACHER (WEDNESDAYS).

1. What is your favourite ...

- **thing to do at home?** Play and spend time with my family (I have 2 children aged 6 and 3) reading and walking on the beach
- **thing about APS?** The amazing feel of a close knit community and the location of the school (there is something special about being so close to nature!)
- **colour?** Red
- **food?** Pizza and pasta!
- **book?** My favourite book to read to my children is The Paper Dolls by Julia Donaldson. But my sister is a young adult author so it has to be her book called, "It sounded better in my head" by Nina Kenwood

2. Why did you become a teacher / teacher aide? I love seeing the excitement and spark in children's eyes when they learn something new!

3. What do you like about it? Connections and the relationships I make with children and staff.

4. What is the funniest thing a child has said to you? When I was at my old school in Melbourne I got engaged (many years ago now) and the whole school had a surprise wedding assembly for me. My entire Prep grade was all dressed up as wedding guests and or brides/ grooms. One gorgeous little boy dressed as my groom and walked down the aisle with me. He turned around and said, "Now you are my wife!" He thought we got married for real!!

5. What was your favourite memory from when you were at school? I went to school in Queenscliff and we spent a great deal of time learning about and exploring Swan Bay which was located behind the school. Now that my daughter attends the same school, I love seeing her doing exactly the same with her classes.

SCHOOL COUNCIL. The Constituting Order of Anglesea Primary School states the composition of the Council is:

- EIGHT elected parent members.
- FOUR elected DET employee members. The principal who is executive officer is included in this number.
- Up to TWO community members.

This year our retiring parent members are Luke Grundy, Peter Crowcroft, Cameron Shaw, Ben Roberts, Rebecca Shaw and Sandy Martin with DET Employee Linda Wylie. Members retire at the end of their term, however parents are welcome to nominate for membership again if still eligible (eg. still have children here.)

Our continuing parent member is Twiggy Finemore. Our continuing DET Employees are Wendy Rankin and Murray Surkitt.

This means we currently have the following vacancies to be filled.

- Four x two year elected parent positions.
- Three x two year elected DET employees.
- Two x two year community members.

The timeline is as follows:

9th February: Call for nominations. Nomination forms can be collected from the office.

23rd February: Nominations close (4:00pm).

If nominations do not exceed vacancies, the new council will be formed.

If nominations exceed vacancies, the list of candidates and nominators will be displayed and the process will be:

28th February: Distribute ballot papers.

6th March: Close of ballot. (4.00pm).

12th March: Count votes and declare the poll.

27th March: New school council Annual General Meeting at 6:00pm

If you would like to join school council, or nominate someone else, please complete a nomination form from the office. Further information about school council is below, please feel free to see me for more information.

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the broad direction of a school, in accordance with Ministerial Order 1280 Constitution of Government School Councils, and the *Education and Training Reform Act 2006*. In doing this, a school council may directly influence the quality of education for students.

Who is on the school council?

For most primary school councils, there are several possible categories of membership:

- **A mandated elected parent member category** – members of this category generally comprise more than one third of the council's total membership. Department employees can be parent members at their child's school providing that they are not engaged in work at the school.
- **A mandated elected school employee member category** – members of this category make up no more than one-third of membership. The principal of the school is automatically one of these members.
- **An optional community member category** – members are co-opted by a decision of the council because of their special skills, interests or experience. Department employees are not eligible to be community members.
- A small number of school councils have nominee members.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills and a range of experiences and knowledge that can help inform and shape the direction of the school. Those parents who become active on a school council find their involvement satisfying and may also find that their children feel a greater sense of belonging.

Do I need special experience to be on school council?

Each member brings their own valuable skills and knowledge to the role, however, in order to successfully perform their duties, councillors may need to gain some new skills and knowledge. It is important to have an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

Code of conduct for school councillors

School councils in Victoria are public entities as defined by the *Public Administration Act 2004*.

School councillors must comply with the Code of Conduct for Directors of Victorian Public Entities issued by the Victorian Public Sector Commission. The Code of Conduct is based on the Victorian public sector values and requires councillors to:

- **act with honesty and integrity** – be truthful, open and clear about their motives and declare any real, potential or perceived conflict of interest and duty
- **act in good faith in the best interests of the school** – work cooperatively with other councillors and the school community, be reasonable, and make all decisions with the best interests of students foremost in their minds
- **act fairly and impartially** – consider all relevant facts of an issue before making a decision, seek to have a balanced view, never give special treatment to a person or group and never act from self-interest
- **use information appropriately** – respect confidentiality and use information for the purpose for which it was made available
- **exercise due care, diligence and skill** – accept responsibility for decisions and do what is best for the school
- **use the position appropriately** – not use the position as a councillor to gain an advantage
- **act in a financially responsible manner** – observe all the above principles when making financial decisions
- **comply with relevant legislation and policies** – know what legislation and policies are relevant for which decisions and obey the law
- **demonstrate leadership and stewardship** – set a good example, encourage a culture of accountability, manage risks effectively, exercise care and responsibility to keep the school strong and sustainable.

Indemnity for school council members

School councillors are indemnified against any liability in respect of any loss or damage suffered by the council or any other person in respect of anything necessarily or reasonably done, or omitted to be done by the councillor in good faith in:

- a. the exercise of a power or the performance of a function of a councillor, or
- b. the reasonable belief that the act or omission was in the exercise of a power or the performance of a function of a council.

In other words, school councillors are not legally liable for any loss or damage suffered by council or others as a result of reasonable actions taken in good faith.

How can you become involved?

By participating in, and voting in the school council elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might consider:

- standing for election as a member of the school council
- encouraging another person to stand for election.

What do you need to do to stand for election?

The principal will issue a Notice of Election and Call for Nominations in Term 1 of each year. Council elections must be completed by 31 March, unless varied by the Minister for Education.

If you stand for election, you can arrange for someone to nominate you as a candidate or, you can nominate yourself in the parent member category. You can only be nominated by another member of the same category that you are eligible for (e.g. a member of the parent electorate may only nominate another parent of that electorate).

Department employees with a child enrolled at a school where they are not engaged in work, are eligible to nominate for parent membership at that school.

Return your completed nomination form to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt via post, email or by hand delivery.

Generally, if there are more nominations than vacancies a ballot will be conducted in the two weeks after the call for nominations has closed.

Remember

- Consider standing for election to school council.
- Ask the principal for instructions if you are not sure what to do.
- Be sure to vote if the election goes to ballot.
- Contact the principal if you are unsure about what is required at any stage of the election process.

ATTENDANCE RAFFLE. Each week the names of all students who have been at school each day, and on time, go into a raffle. At the end of the week, we draw the raffle with one of these students winning a free skateboard.

Who will win this week???

BUSHFIRE PREPAREDNESS. Do you have the Compass 'app' on your phone so you can receive notifications immediately? Class in the spotlight - Junior T

This week during mathematics, the students have been exploring the concept of number lines and length. This week, we ventured out to the basketball to create number lines starting at 0 and going to either 10, 20, 50 or 100. We did a class number line from 0 to 100 and plotted different numbers along the line. The students investigated where halfway was, then one-quarter and three-quarters of the way and found this helpful to plot the other numbers.

Next week the class in the 'spotlight' is:

- Junior R

Awards

Junior R - Harriet

Junior T - Lili

Junior M - Ruby

Mark, Wendy and Lachlan (The Junior Team)

Senior Learning Community

Reminders - Hats

Please ensure that your child/ren have a named broad brimmed hat to wear during outdoor learning activities and at recess and lunchtime. These are available to purchase from the office if required. Students who do not have a hat will need to remain under the covered spaces at recess and lunchtime.

Specialists

Senior Specialists are on Tuesday afternoons (12:30pm-1:30pm & 2:30pm-3:30pm) and Wednesday mornings (9:00am-11:00am). Students will rotate through PE, Art, Music/Creative Arts and Global Studies. Can you please ensure that your child/ren wear appropriate footwear on these days to ensure that they are able to run and move comfortably and safely during PE.

Bluearth

On Mondays, students are participating in Bluearth. Bluearth is a program that focus on self-regulation through movement and is part of our wellbeing program. Students work on precise gross motor skills and movements while developing their resilience and corporation through being 'your own umpire'. As these sessions involve a lot of movement, students will need to wear appropriate footwear.

At Home Reading

We encourage every child to read for at least 20 minutes at home every day. This helps to build fluency, reading skills and strategies that your child is working on in class and also helps to foster a love for reading.

Donation Requests

Could we please request families donate a box of tissues for the learning space that their child/ren are in. Thank you.

Grade 6 Leadership Speeches

On Wednesday, the Grade 6 students delivered their leadership speeches to all members of the Senior Learning Community (3-6) including teachers and Mr Surkitt. All students did a fantastic job of speaking in front of such a large group of people. At the completion of the speeches, 3-6 students and all staff casted their vote for the candidates for the different leadership positions. They will be announced at the assembly today.

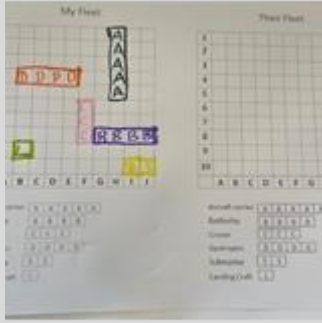

Senior Class in the Spotlight

Each week a different Senior Class will be in the spotlight to share some of their learning and what has been happening in the classroom that week. This week Senior L is the Senior Class in the Spotlight.

This week in Maths Senior L have focused on Mapping and locating features using the grid reference coordinates. Students created a bird's-eye view map of the school before completing a scavenger hunt. As a follow up consolidation, Students today played a version of battleships.

Next week’s Senior Class in the Spotlight will be Senior J.

Legend of the Week

Legend of the week forms part of our school’s wellbeing program. Each week, every class has a student (this week their teacher) who is the Legend of the week. Through negotiation with the teacher, the student may wish to bring in something to share (photos etc.) to help everyone get to know each other. At the end of the week, a poster is created with messages from all of the students.
