## PRINCIPAL'S COLUMN

**School Values:** Respect, Responsibility, Kindness and Collaboration.

**BEACH SAFETY AND AWARENESS.** This annual program is scheduled to commence on Monday 28<sup>th</sup> November. Thanks to the many parents/carers who have already returned the permission and medical forms and made payment. Thanks also to Mr Lester for completing all of the administrative tasks and organisation for this program. Also, for overcoming some last-minute challenges including having to find a new bus company and driver.

**SOMERS CAMP.** I hope our eight students Macie Bereza, Tora Fitzgerald, Ruby Gooday, Fletcher Bates, Jack Davidson, Xavier Hotchin, Tom Maffett and Ollie Maffett enjoy this Camp from Tuesday 29<sup>th</sup> November to Wednesday 7<sup>th</sup> December. Parents/carers can visit the children at the Camp on Sunday 4<sup>th</sup> December from 12-2pm.

**VISIT BY GEELONG CATS PREMIERSHIP CUP.** Yesterday the Geelong Cats 2022 AFL Premiership Cup visited the school. Some photos will appear in the Assembly tomorrow.

**2023 VILLAGE NEWS.** Each year we produce a school magazine, the 'Village News', to highlight our achievements. Thanks to parents Emily Gilbert and Peter Crowcroft who are assisting me to produce this year's magazine.

**CURRICULUM DAY.** A reminder that Friday 25<sup>th</sup> November is a pupil free day with staff at school preparing for 2023.

**ASSEMBLY.** Assembly will be held at 3pm in the Stadium tomorrow – all welcome.

Anglesea PS: great staff, great students, great community = great school!

## Beach Safety & Awareness Program 2022

Dear Parents/Guardians,

As you may be aware, the 2022 Beach Safety and Awareness Program is fast approaching us.

Our Beach Safety and Awareness Program will run for two weeks during weeks 9 and 10 at Point Roadknight Beach. We are very fortunate to again have Go Ride a Wave involved in our program.

Week 1 begins *Monday 28<sup>th</sup> November through to Friday 2<sup>nd</sup> December (excluding Wednesday 30<sup>th</sup> November)* and week 2 begins *Monday 5<sup>th</sup> December through to Friday 9<sup>th</sup> December (excluding Wednesday 7<sup>th</sup> December).*

This year, our program returns to a similar format as pre-covid. The format will be that students either arrive at school in the beach attire or will get changed at school before travelling by bus to Point Roadknight Beach. Classes will complete both a water session (facilitated by Go Ride a Wave) and an on beach session (run by their homegroup teacher). At the completion of their water session, students will get changed at the Point Roadknight change rooms before returning to school by bus. On the final day of the program students will participate in Nipper Style activities.

A participant survey, medical and swimming permission form was sent home on Tuesday. We are asking that all responses are returned to school by **Friday 19<sup>th</sup> November**. It was also sent on Compass.

The school has a small range of wet suits available to borrow if your child/ren does not have access to their own. Please let me know before Friday 25<sup>th</sup> November.

The program details are as follows:

# Junior News

It's been another busy week of learning in the JLC. Here is a snapshot! When the Premiership Cup visited the JLC there were some very happy faces.

### *Wallabies- Bounding into Learning*

This week in Mathematics we focussed on **money**. We viewed a video on the history of currency, from bartering in the early days of civilization to our current forms of money. We learnt how coins are made at the Royal Australian Mint in Canberra and how Australian notes are made in Melbourne. We worked out different combinations of making a particular amount of money and used the counting up strategy to the nearest dollar to work out change. The Wallabies also worked on an **authentic learning experience** with a budget of \$100.00 to buy books from the Lucky Book Club.

### **The Power to Persuade**

Continuing our work on **persuasive writing** students listened to the mentor texts, **Learn to Love Spiders** and **Give Bees a Chance** by Bethany Barton. We discussed **phobias** and how the author was persuading the reader to all the wonderful things about both bees and spiders. Students then researched to find out interesting facts about something they fear, to persuade the class why they should not be afraid.

### *Piranhas- Snapping up Success*

This week students continued to work towards reading with fluency by using appropriate pacing, stopping for two seconds at a full stop and pausing at commas. We have also been practising making sure our reading sounds interesting. Reading with fluency is an important skill for students to develop as it allows for better comprehension. To help us read unknown words, 'we say the sounds and then read the word.'

## *King Parrots*

This week in Respectful Relationships the King Parrots celebrated World Kindness Day (13th November). First, students drew another student's name out of a hat. Their job was to create a bucket for them and to leave a special note inside. This activity left students with a smile and they all worked hard to make a thoughtful gift.

## *Persistent Puppies*

The Puppies have been enjoying extending their knowledge of Place Value in Maths. This week we learnt a fun game called Garbage Bin. We learnt how it was a game of both chance and skill. We played a few games and then discussed strategies we thought helped us to win. We then played again trying each other's strategies to see which ones improved our chance of winning. The aim of the game is to get the highest number you can using playing cards. We made 2 and 3 digit numbers. You get a chance to put one of your numbers in the 'Garbage Bin', which was really fun when it helped us win!!!

## Requests

- If anyone has shoe boxes that they can donate for various projects that are happening at school, it would be greatly appreciated.

## Healthy Eats Brain Breaks

Students in Grade 3/4 have daily 'Healthy Eats Brain Breaks.' We are going through large amounts of fruit each day from the school-supplied fruit bowls that are in the 3/4 learning spaces. If possible, can we please ask that parents/carers provide extra vegetables or pieces of fruit that are clean and easy to eat in class and a plastic refillable water bottle for your child to eat and drink during our 'Brain Food Breaks.'

*\*\*It is important to note that 'Brain Food Breaks' do not replace the food eaten at recess or lunch. This healthy snack is in addition to the foods already packed.*

## Jam Making

On Tuesday Cohen and Sierra made strawberry jam with Miss Fleur's mum, Maja. It tasted amazing and we have included the recipe for any parents/guardians to make at home with or without your child/ren.

### **Ingredients**

- 1kg strawberries (rinsed and hulled)
- 2 x 500g packet CSR Jam Setting Sugar

### **Method**

1. Crush strawberries coarsely with a potato masher or blender.
2. Place strawberries and sugar in a large, heavy based 6 litre pot.
3. Heat mixture over a low heat until sugar is dissolved. Do not allow to boil.
4. Add butter then increase heat and bring to a rapid boil. Boil for 4 mins then remove from heat, skim off any foam with a tablespoon. Test a small amount of jam on a cold plate, (the surface should wrinkle when a spoon is pushed through it).
5. Ladle hot jam into warm sterilised jars and seal with a lid. Set aside to cool, then label, date and store in a cool dark place. Refrigerate after opening.

## 5/6 Inquiry

This term, 5/6 students Inquiry focus has been on the Humanities strand Economics and Business. As part of this unit, students have been planning a small business for our Small Business Expo that will take place on Friday 16th December (more details to come). This week, students have been costing their businesses and preparing "small business loan applications" (to be repaid after our Expo) to come home this week. At the completion of our Small Business Expo, all loans will be repaid to families and the profits of day are going towards covering the cost of our last day of the year excursion (see below).

## 5/6 End of Year Excursion

On Tuesday 20th December 5/6 students will be travelling to BOUNCE Inc. in Grovedale for an end of year excursion. The cost of the bus (\$495) is being covered by the school budget and the cost of our session at BOUNCE (\$13.50) is going to be subsidized by the profits of the Small Business Expo. We anticipate profits keeping the cost to families being \$6, which we consider to be great value.

## **Surf Coast Youth - Transition Day Grade 6**

On Tuesday the Grade 6s participated in a high school transition session run by Mim, Damo and Larry (Therapy Dog) who are part of Surf Coast Youth Community Group. This session was aimed at:

- The emotions students and their peers may be feeling about transitioning to high school
- How to identify when we are becoming overwhelmed with emotions
- How to manage emotions when we become overwhelmed.

The students were fantastic participants in this session and really enjoyed the Surf Coast Youth Community Group holding this discussion with them, particularly Larry's company!

## **Graduation Photos**

Tomorrow (Friday 18th November) it is important that all Grade 6 students are present and in full school uniform as we will be taking some photos/videos for graduation slideshows.

## **At Home Reading**

We expect every child to read for at least 20 minutes at home every day. This helps to build fluency, reading skills and strategies that your child is working on in class and helps to foster a love for reading.

## **Awards**

Senior L/T - Hugh  
Senior A - Molly G  
Senior G - Lenni  
Senior V - Marcus

## **Notes home:**

- Beach Safety and Awareness - Swim Competency and Medical Form - Due Back Friday 18th November. Full Payment Due Friday 25th November
