School Values: Respect, Responsibility, Kindness and Collaboration.

BOOK WEEK. Below is a report written by Mary, one of our school captains. I asked Mary to write this report as I was not at school on Friday.

We celebrated book week this month with lots of fun activities, especially the book week parade. One of the highlights was meeting all the 2024 preps again, who got to spend time with their buddies. My favourite teacher costumes were Thomas the Tank Engine (Mr Lester) and Mrs Rankin who dressed up as a dragon from the book 'The Crocodile who didn't like water'. After the parade everyone split into groups and we went off to the activities that the teachers had planned. My group started with Mr Lester and Mr A who read an awesome book called 'Dirt by Sea', which is about an Aussie family who go on a road trip all around Australia. Then everyone took a photo using a green screen to make it look like we were at some of Australia's landmarks. It was a fun activity that everybody enjoyed. Thank you to everyone who participated and especially to the parents who supplied the costumes.

GRADE 3+4 CAMP. We are currently on Camp at Angahook in Aireys Inlet and having lots of fun. The camp activities we have participated in include Archery, Giant Swing, Orienteering, Low Ropes course and Climb Tower. Below are some photos from Camp.

FATHERS DAY. To all the dads, have a great day on Sunday. The children have made a gift for you in Art. Thanks to Ms Karren and Ms Edgerton for doing this.

VALUE OF THE WEEK. This week we are teaching the children about Respect – We use our words to solve problems. Next week we will teach them Respect – We apologise when we make mistakes.

2023 PARENT / CAREGIVER / GUARDIAN OPINION SURVEY. Thanks to the 18 families who have completed the survey. Instructions to complete it by Friday 8 September are on Compass.

ASSEMBLY. Will not be held this week due to the Gr 3 and 4 Camp. We will still draw the attendance raffle at 3:25pm. Assembly will be held next Friday at 3:10pm in the Stadium.

ATTENDANCE RAFFLE. The winner of a skateboard last week was Quinn Sedgwick. Who will win this week???

Anglesea PS: wonderful students, enthusiastic staff and supportive community = great school!

Foundation to 2 Junior Athletics Update

Next term, in Week Three our Prep to Year 2 students have an interschool athletics carnival at Landy Field in South Geelong. The students participate in a variety of athletic events alongside students from other schools in our association (Aireys Inlet, Mirriposa, Winchelsea, Mt Duneed, Moriac and Ceres Primary School).

We recently sent out a survey to determine if there was a need to provide transportation for students. I apologise for the confusion with the survey. Survey Monkey, unbeknownst to me, now restricts the number of free responses, then I had a brain fade with the Google Form! Thank you to everyone who responded or attempted to respond. From the results it appears that providing a bus for students would be helpful for many parents/carers.

A bus has been booked for Athletics Day. The cost will be \$22.50 return per student. Seats will firstly be allocated to students whose parent/carers responded to the survey, then the remainder of students. You will be able to confirm your child/ren's seat on the bus after paying Colleen. **Payments will only be accepted after the excursion note goes home next week.** Nonpayment of the bus fee indicates that you will be responsible for transporting your child/ren to and from the event.

Students need to be at Landy Field by 9.30am and collected at 2.15pm. The bus will depart from school at 8.45am sharp and return in time for the regular school pick-up time.

Thank you to the parents who have volunteered to assist at the athletics carnival. I have probably missed a few names in the mess I made of the survey. If I haven't responded to you by email, would you mind emailing me with the name of which child you would like to be in a group with?

Thank you in advance for your feedback with the survey and willingness to volunteer to make the day a success.

Homework

As part of our Maths investigation into the units of measurement and our Writing focus on procedural texts, this week students are going to find a practical application for lots of the different units of measurement by creating a Grade 5/6 Cookbook of different meals or dishes that they are able to prepare.

To be successful, students will need to choose a dish or meal that you know how to cook, record the ingredients needed for your recipe, create a shopping list with the items that they need to purchase, cook the meal/dish, taking photos for your recipe and recording the method of making it.

We will be recording our recipes on Tuesday next week so will need their recipe chosen and potentially cooked (and photographed) by then.

*Please make sure that your child is coming to school everyday with their iPad charged.

Mini Fete

Anglesea Primary School 2023 Annual Mini Fete is coming up. For new families to the school, the Mini Fete is a school run fete held at the end of term 3 (Friday 15th September) between 10am-12:30pm. The stalls and activities at the Mini-Fete are organised by students and staff for the students and school community. All of the proceeds of the Mini-Fete go towards the school with funds used on projects or equipment decided by the Student Voice Leaders and Student Voice representatives. The allocation of funds for this year are yet to be confirmed. In the past the Mini-Fete profits have paid for the purchase and installation of our second flag pole (Aboriginal Flag) and purchasing more sporting equipment.

On the day, students are invited to dress in a sporting teams colours or uniform with a gold coin donation for Footy Colours Day which raises money for Fight Cancer Foundation. The mini-fete commences at 10am with students rostered on to work at stalls throughout the fete. The fete will wrap up around 12:30pm with winners for the different activities announced. Sausage sizzle orders (pre-orders only) will be delivered to home groups at lunch time. Students and staff will work together to clean up the school and put all of the furniture back in the classrooms. Home time will be at the usual time end of term time of 2:30pm. Although there is food available to buy, we encourage all students to still bring their regular recess and lunch foods.

This year there will be a wide range of stalls and activities for students and visitors to enjoy. They'll be a range of different food options from fruit sticks, popcorn, milkshakes and sausage sizzle to Poffertjes (Dutch pancakes). Activities are yet to be confirmed for this year but some of last year's activities included games of chance, DISCO, video arcade, paper airplane contest, mini golf, number of basketball shots in a minute and many more.

Prices for the stalls and activities vary from 20cents to around \$2. If your child/ren are to come to school on the day with around \$10 to spend, that will allow them to have plenty of spending money for food and activities.

This event's success is run off the back of the donations made by families and staff. In coming weeks, please carefully read either the Senior and or Junior newsletter items to find out the donations that you could potentially provide.

It is probably a great opportunity for your child/ren to start performing some chores around the house to earn some money to spend on the day
