| Tuesday 20 th | Last Day of 2022 School Year – 2.30pm dismissal |

PRINCIPAL'S COLUMN

School Values: Respect, Responsibility, Kindness and Collaboration.

Parent Working Bee in the Kitchen Garden – This Friday from 10:30am - 12:30pm we will have some wonderful parents and carers helping us to tidy up our Kitchen Garden in preparation for beginning the Kitchen Garden program early next year. We have so many jobs to do from weeding, mulching, filling up garden beds, removing a passionfruit vine and much more. If you would like to come and help please pop by or send me an email.

OPEN AFTERNOON AND SEESAW

Like earlier this year, on Friday 28th October we will host an Open Afternoon to allow parents/carers to visit the school and see some of the work the children have been doing. A priority this year is to strengthen home-school communication, so we hope the Open Afternoon from 3-3:25pm will again provide an opportunity for this. Also, on this day we have scheduled for the teachers to share a task via Seesaw that the students have completed at school.

ADHD Awareness Month

ADHD (Attention Deficit Hyperactivity Disorder) Awareness Month is celebrated every October all around the world. In an effort to create a school, workplace and community where everyone can thrive, we are asking everyone to wear something **orange** as this is the international colour for ADHD, next **Thursday the 27th** of

October. Let's raise awareness and our understanding of ADHD to support all of our neurodiverse superheroes. Below are a few great clips that help explain what ADHD is all about.

Helping at Our School...Thank you.

YARD DUTY ROSTER:

As you would be aware, at the start of the year you were given the choice to go on the Yard Duty Roster or pay the \$50 levy to go towards the cost of employing a gardener. Either way we greatly appreciate your contribution to keeping our grounds safe and tidy. The following roster shows the **weeks when your family** is rostered on. You will receive an email on the Monday which gives you the full week until the following Monday to complete your simple task which will be outlined in the email. Thank you to the Gibbens family for their work in the yard over the holidays

| FAMILY NAME | WEEK BEGINNING |
|-----------------|--|
| Gomez Family | 20 th – 27 th October |
| Jacobs Family | 20 th – 27 th October |
| Lane Family | 28 th – 4 th November |
| Marano Family | 28 th – 4 th November |
| Marriage Family | 5 th November – 11 th |
| Martin Family | 5 th November – 11 th |
| Mathes Family | 12 th November – 19 th |
| McGrane Family | 12 th November – 19 th |

Sick Bay Laundry Roster – Term 4

We need people to go on our sick bay roster. This would involve changing the bedding. ie washing the sheets, pillow cases, doona cover each Friday. If you are able to help, please send me an email anglesea.ps@education.vic.gov.au or pop in to the office and see me.

Roster

Term 4

Friday 7/14th October - Alison Evans

Friday 21/28th October – Marion Goulding

Friday 4th/11th November – Sonia Mc Call-White

Friday 18th/25th – Emma Sydneham

Thank you to these wonderful parents.

Physical Education

Senior PE Active Schools Classroom to Court Program

Anglesea Primary School was fortunate enough to receive funding to run a four-week tennis program for our senior students this term. The program is being delivered during PE by local tennis coaches Peter Hubacek and Jackson from Surfcoast Tennis Academy. The final session will be run at the Anglesea Tennis Club on Wednesday November 2nd. Due to the logistics of running four sessions of tennis offsite the students will spend the school day at the Tennis Club and participate in their other specialist activities within the vicinity of the Tennis Club. A permission note will be sent home via Compass next week.

SSA Nipper Day

The annual Year 5/6 SSA Nipper Day on Friday November 18 is fast approaching. Run by Anglesea Surf Lifesaving Club the focus of this day is on student participation and enjoyment, rather than competition. Students will participate in all 'beach events' including Beach Sprint, Beach Relay and Beach Flags. **Only students who passed the swim competency test will be permitted to participate in the water events: Wade, Board, and Cameron Relay.** The note for the swim competency test was sent home in Term 3. This note must be authorised by a swimming coach or lifeguard to enable students to enter the water on the day. This is a Surf Life Saving Victoria stipulation. Please return the note by Monday November 7th to allow time for ASLSC to calculate the number of water safety personnel required. The permission note for this event will be sent out via Compass next week.

Junior Athletics

The Junior Athletics Day sounded like a resounding success. Finally the Year 2 students were able to attend an athletics day! Thank you to the all the parents who volunteered their time to make the day run so seamlessly for our students. We could not have done it without you.

As always, please don't hesitate to contact me if you have any queries regarding the Physical Education or Interschool Sports programs.

Wellbeing News

ADHD Awareness Month

ADHD (Attention Deficit Hyperactivity Disorder) Awareness Month is celebrated every October, with events and activities happening all around the world. ADHD is a gift that impacts girls and boys equally, and we want our ADHDers to be proud of their neurodiversity and all the out-of-the-box thinking, humor, drive, and passion that comes with it. We want to create a school, workplace and community where everyone can thrive, so, to raise awareness and support our ADHDers and all of our neurodiverse superheroes we are asking everyone to wear something **orange** next **Thursday the 27th of October**. **Orange** is the international colour for ADHD and the dandelion is the international symbol. The Dandelion is a sunny flower

full of hope, but is often treated like a lesser flower. Yet it still manages to flourish – often in conditions other flowers can't. Its seeds travel far and wide and as children we used to create wishes. So this flower, that is often treated like a weed, actually brings joy and whimsy to our lives. We see the dandelion as symbolising the ability to rise above life's challenges. People with

ADDITUDE

25 THINGS TO LOVE About ADD

| | |
|--|--|
| 1 Insomnia makes for more time to stay up and surf the net! | 15 Being a good conversationalist. |
| 2 The drive of HYPERFOCUS . | 16 An innate understanding of intuitive technologies, such as computers or mobile devices. |
| 3 Resiliency. | 17 Honestly believing that ANYTHING IS POSSIBLE . |
| 4 A sparkling PERSONALITY . | 18 Rarely being satisfied with the status quo. |
| 5 Generosity with money, time, and resources. | 19 COMPASSION . |
| 6 INGENUITY . | 20 Persistence. |
| 7 A strong sense of what is FAIR . | 21 Joining the ranks of artists, musicians, entrepreneurs, and other creative types. |
| 8 Willingness to take a RISK . | 22 Always being there to provide a different PERSPECTIVE . |
| 9 Making far-reaching analogies that no one else understands. | 23 Willingness to fight for what you believe in. |
| 10 SPONTANEITY . | 24 Excellence in MOTIVATING OTHERS . |
| 11 A "Ferrari" brain, but with "Chevy" brakes! | 25 Being highly organized, punctual, and generally responsible (OK, so I lied!). |
| 12 Pleasant and constant surprises due to finding clothing (or money or spouses) you forgot about. | |
| 13 Being FUNNY . | |
| 14 Being the last of the ROMANTICS . | |

Junior News

Prep -One Breakfast

On Monday the Grade Prep and One students enjoyed a fun filled morning at Camp Wilkin. The program aims to familiarise younger students as to what a camp looks like and the kind of things you do at camp without actually staying overnight. It is a fantastic opportunity for students to have this experience leading up to Grade 2 when they are older.

We loved seeing all the colorful pyjamas and dressing gowns and eating our breakfast which consisted of cereals, toast and pancakes.

After changing back into our school clothes we played games with the friendly camp staff including having a dance in musical statues and collaboration activities with the huge parachute.

The sunny day meant we had a relaxing walk back to school and it was an ideal time to chat to our friends as we walked.

Thanks to the wonderful staff at Camp Wilkin for making us feel so welcome!!

It's been another busy week of learning in the JLC. Here is a snapshot!

Wallabies- Bounding into Learning (English)

Continuing our unit of work on **poetry**, students created **limericks**. Limericks have 5 lines, the first, second and fifth line rhyme, the third and fourth line rhyme and they are silly. The Wallabies were very successful with meeting the criteria of a limerick. Well done Wallabies, you are amazing!

Senior Community News

Writing

The Grade 5 students began creating their Buddy Books. This is a recount that the students put together to pass on to their 2023 buddies. This allows the future Preps to understand what to expect for when they begin their Primary schooling and for them to have a greater understanding of who their buddies are. This week the Grade 5 students drafted, edited, and published a piece on their first day of school to add to their Buddy Book's.

In writing the Grade 6 students began creating their Memoir books. This is an autobiography piece that allows the students to reflect on their Primary school journey. This week the students drafted, edited, and published their favourite primary school moment that they will include in their Memoir Books.

Debating

Over the first two weeks of the term Grade 5/6 students chose some different persuasive writing topics and brainstormed arguments for both for and against their point of view. Towards the end of week 1, students were placed into teams of five to organise and debate both the affirmative and negative point of view for the arguments. Some of the thrilling debates that we got to witness were: 'Recycling is not that important', 'Summer is the best season', 'Strawberries are the best fruit' and 'Animals should not be kept in zoos'. We were really impressed with how students were able to be creative with some of their arguments even when they did not wholeheartedly agree with it. Students also began to experiment with rebutting arguments and facts of their opponents. These were the first debates that the students had even witnessed let alone taken part in and the students are to be commended on their fantastic work!

Maths

Grade 3/4 students have been learning about Fractions. On Tuesday, students worked in collaborative maths groups to place fractions on a string number line. Students were tasked to think about what number to start and end their number line as well as how to ensure they partitioned the number line into equal parts. Students were challenged to extend their thinking around what happens when the fraction goes beyond 1 and to link their knowledge of mixed numbers and equivalent fractions to plot the fractions accurately on the string number line.

Bluearth

This week in Bluearth it was the Tasman house captains turn to run the session. The Grade 5/6's did body movement activities such as forwards, backwards and sideways running, throwing, catching, jumping, and lunging. The students put these skills to practice with a warmup game of 'Ship, Shark, Shore' before playing a well-run game of Dodgeball. To finish the session the students participated in some breathing exercise as a cool down. Well done Joaquin and Tora for running these sessions!

CFA project

Today, both Senior LT and Senior A went down to the Anglesea CFA station to learn about the operations of our local station and the role it plays in keeping our community safe. Students then worked in groups to start planning their community action projects.

5/6 Inquiry - Economics and Business

This week, students commenced our Term 4 inquiry topic of Economics and Business (part of the Humanities Curriculum). By the end of our Inquiry unit, it is our hope that students will be able to distinguish between needs and wants, recognise that consumer and financial decisions can be influenced by a number of factors, students identifying strategies that will assist in making informed financial decisions and understanding the different ways that businesses choose to provide goods and services.

As part of our Inquiry lessons for the next 5 weeks students are going to be designing/creating their own small business with the aim of selling a product/s to the school community at our 'Small Business Fair' on Thursday 24th November.

Today students brainstormed their small business ideas. Stay tuned for more information!

Lorne on the Lawn

On Friday 28th October our 5/6 students have been invited to attend Lorne P-12 College's event 'Lorne on the Lawn'. Lorne on the Lawn is an expo with educational stalls focusing on sustainable practices. There will be school bands, guest speakers and a headlining act, Hope D.

This is a free event, and our bus is being subsidised by the Surf Coast Shire so there is zero cost to families for this event. Students will be departing APS by bus at approximately 10:30am and returning to school at just after 2:30pm.

Students will need to come to school as normal in their school uniform and bring their recess, lunch, refillable water bottle and hat.

At Home Reading

We expect every child to read for at least 20 minutes at home every day. This helps to build fluency, reading skills and strategies that your child is working on in class and helps to foster a love for reading.
