

## Important Dates

3/11/2022

NOVEMBER	
Thursday 10 <sup>th</sup>	Village Fair Helpers get together Last One Inn 7pm.
Friday 11 <sup>th</sup>	Prep Transition 10 – 11.30am
Friday 25 <sup>th</sup>	Curriculum Day – Student free
Monday 28 <sup>th</sup> -9/12	Beach Safety and Awareness
DECEMBER	
Tuesday 13 <sup>th</sup>	Whole School Transition Day –Including Prep 2023
Wednesday 14 <sup>th</sup>	Parent/Carer/Teacher Conversations
Friday 16 <sup>th</sup>	House Sports- All School – 9.30am
Monday 19 <sup>th</sup>	Yr 6 Graduation – 5.30pm
Tuesday 20 <sup>th</sup>	Last Day of 2022 School Year – 2.30pm dismissal
2024	
Monday 30 <sup>th</sup> Jan	Term 1 commences
Thursday 6 <sup>th</sup> April	Last Day of Term 1
Monday 24 <sup>th</sup> April	Term 2 commences (Anzac Day 25 <sup>th</sup> April, King's Birthday 12 <sup>th</sup> June)
Friday 23 <sup>rd</sup> June	Last Day of Term 2

## PRINCIPAL'S COLUMN

**School Values:** Respect, Responsibility, Kindness and Collaboration.

**RIVERBANK MARKET.** Thanks to parent Kate Stanley and teachers Duncan Lester and Lachlan Turner for marking the site locations after school on Friday. Thanks also to parents Luke Grundy, Sandy Palmer, Fiona Saw, Steph Ross, Ellen Harper, Brooke Powell and Mike Bodsworth for assisting at the Market and to Kip Graham for being our First Aid officer. You might not know that Colleen in the office completes a huge amount of work for our Riverbank Markets, including taking all site bookings and administrative tasks. In the foyer of the school is a roster as we are asking for volunteers to help at our New Years Day market (9am-4:00pm) and Twilight Market on January 14 (3-8:30pm).

**OPEN AFTERNOON AND SEESAW.** It was terrific to see so many parents/carers in the school last Friday to view some of the students' work. I hope parents/carers also enjoyed viewing some of their children's work via Seesaw.

**MATHS VISIT.** Tomorrow 18 principals and teachers from nearby schools will visit us to observe our approach to teaching maths. Their visit will focus on observing our Maths Workshop Model (how we teach Maths) to challenge and extend student learning and improve our student achievement data. For example, in 2019 22% of Grade 5 students achieved in the Top 2 Bands for Numeracy (NAPLAN), this figure increased to 35% in 2021 and 36% in 2022 (both above like schools). Our Maths Leaders, Mr Lester and Mr Turner, will share how we support our teachers to improve their teaching as well as the assessment techniques, learning tasks and resources used to challenge and extend students.

**SCHOOL COUNCIL.** We met yesterday, below is a summary:

- We listened to and supported a proposal to upgrade our Basketball stadium and outdoor court. The proposal will be used to source funding for the upgrade.
- The following policies were approved and will soon appear on our website: Visitors, First Aid, Parent Payments, Yard Duty and Supervision, Personal Property.
- We looked at the results from the iPad/ICT surveys that parents/carers, students and staff completed.
- We would like to thank the Parents Club for organising the Spooky Disco. Our Parents Club are again meeting next week to continue planning for our Village Fair in March next year.

#### **SUMMARY OF IPAD/ICT SURVEY DATA.**

- Of the 40 parents/carers who completed the survey, 11 were unaware of our whole school approach to iPads/ICT. Please note if a family of a student in Grade 4, 5 and 6 does not have their own Bring Your Own Device (BYOD) iPad, the school provides one for school use.
- When asked if the BYOD program should remain as is, this was supported by the Gr 3/6 students and staff. Parent/carer reaction was mixed between the BYOD program continuing and the school providing devices.
- The Grade 3-6 students prefer to have a 1:1 device (a device each) rather than having to share devices. When questioned about this, they prefer not having to wait for specific times of the day/week to access a device to help complete their school work.
- The Grade 4-6 students feel they should be able to take their BYOD iPad home each night. The majority of parents/carers said they'd prefer for iPads to remain at school each night. Please note that parents/carers are able to request the iPad stays at school.
- The staff listed how the iPads are used at school. Researching information, Literacy apps, Numeracy apps, Essential assessment (to assist determine student's strengths and future learning goals), Typing writing/stories, Viewing information via the Apple TV, Sharing learning/projects via the Apple TV, Apps related to the Grade 5+6 CFA project and Making music during Music lessons.

**ATTENDANCE.** Recently DET sent me a list of 101 students who were at risk of chronic absence (missed 15+ days of school this year). I understand illness and family holidays is a contributor. If your child is absent, please submit the reasons on Compass so we have a full and clear picture when analysing attendance data. As always, we want students at school every day.

**REMEMBRANCE DAY.** Next Friday our Grade 6 students will attend the Anglesea RSL ceremony at the new War Memorial.

**PREP TRANSITION.** Next Friday our 2023 Preps will attend their 4<sup>th</sup> transition session at school from 10-11:30am.

**ASSEMBLY.** Assembly will be held at 3pm in the Stadium tomorrow – all welcome.

Anglesea PS: great staff, great students, great community = great school!

Murray Surkitt.

Principal.

Email: [murray.surkitt@education.vic.gov.au](mailto:murray.surkitt@education.vic.gov.au)

### **Sick Bay Laundry Roster – Term 4**

We need people to go on our sick bay roster. This would involve changing the bedding. i.e. washing the sheets, pillow cases, doona cover each Friday. If you can help, please send me an email [anglesea.ps@education.vic.gov.au](mailto:anglesea.ps@education.vic.gov.au) or pop into the office and see me. Thank You to Marion and Alison for their help with sickbay recently

#### **Roster**

##### **Term 4**

**Friday 4<sup>th</sup>/11<sup>th</sup> November** – Sonia Mc Call-White

**Friday 18<sup>th</sup>/25<sup>th</sup>** – Emma Sydneham

**Thank you to these wonderful parents.**

# VILLAGE FAIR

Village Fair Team - 2023 will meet next Thursday at 7pm at Last One Inn. All welcome and feel free to bring any ideas or suggestions along to the meeting.

Marcelle

## Wellbeing News

### Art Program with the King Parrots and the Puppies

We have commenced PAINTING!!!! Today we began painting our Toas on fence palings using exterior paint. We are using exterior paint so that our Toas will last a long time out in the elements, however, this also means that DAX is going to get messy. Of course, all students will be wearing art smocks during our painting sessions, but whoopsies do happen and exterior paint is not something that washes out of clothing. So please consider wearing or bringing an old jumper to wear during DAX classes (one that is ok to get paint on).

Below are some examples of what the students are planning to paint on their fence palings.

Miss Fleur Kukler

Wellbeing and Inclusion Coordinator

[Fleur.Kukler@education.vic.gov.au](mailto:Fleur.Kukler@education.vic.gov.au)

### Value of the Week

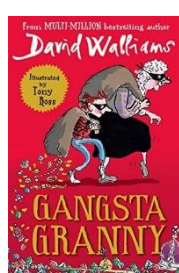

**Mentor Texts that the teachers have used this week to promote the value of Responsibility – We come to class ready and prepared to learn**

Stick and Stone by Beth Ferry - <https://www.youtube.com/watch?v=XTYfji4YiS0>

The Recess Queen by Alexis O'Neill - <https://www.youtube.com/watch?v=xFJ5erFOc0w>

Made by Raffi by Craig Pomranz - <https://www.youtube.com/watch?v=N-BqsKpUa84>

Being You by [Megan Madison](#), [Jessica Ralli](#) and Anne/Andy Passchier

## Clubs

This term we are reading:

# Junior News

**Request:** The **Wallabies** will be commencing a unit of work around **units of measurement**. We would really appreciate it if you could send in empty bottles, milk cartons, cereal boxes etc. Students will be using these to explore and help them understand litres, millilitres, grams and kilograms.

## **Seesaw**

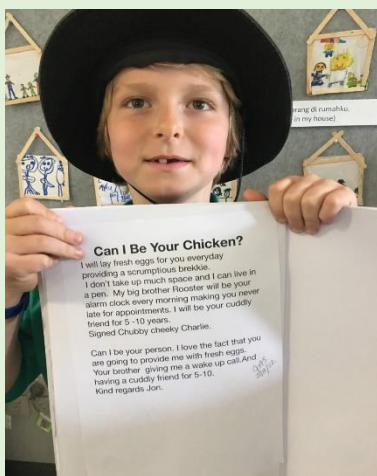

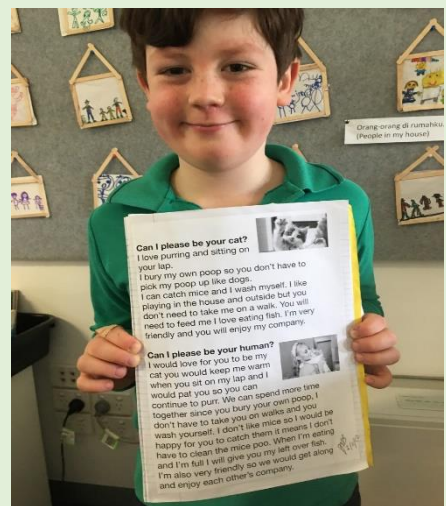

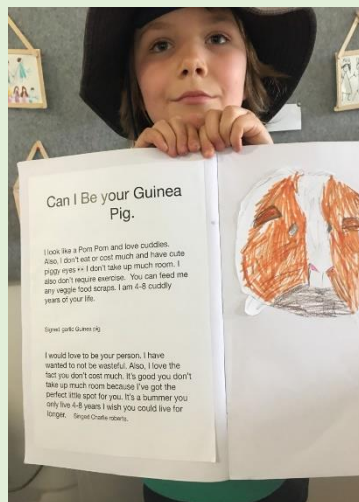

Students really enjoy adding items to Seesaw. Thank you to the parents who have added such positive feedback with what students were most proud of this year.

**It has been another busy week of learning in the JLC. Here is a snapshot!**

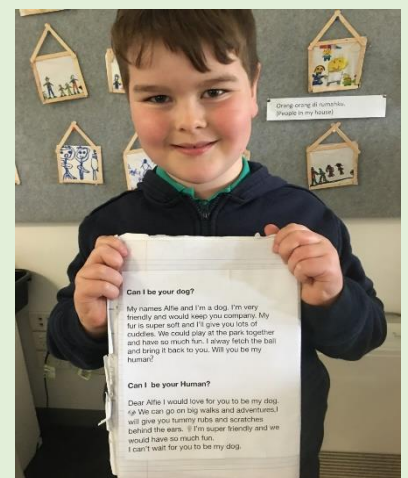

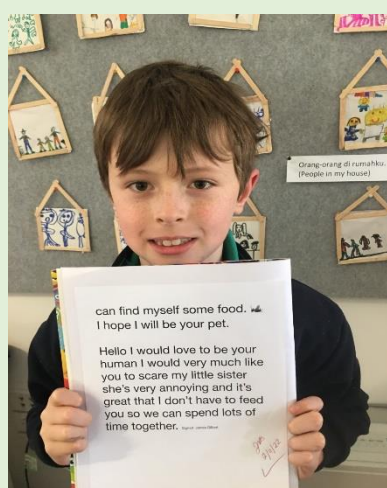

## **Wallabies- Bounding into Learning**

### **The Power to Persuade**

This week in English the Wallabies commenced exploring the techniques authors use to persuade their readers to their point of view.

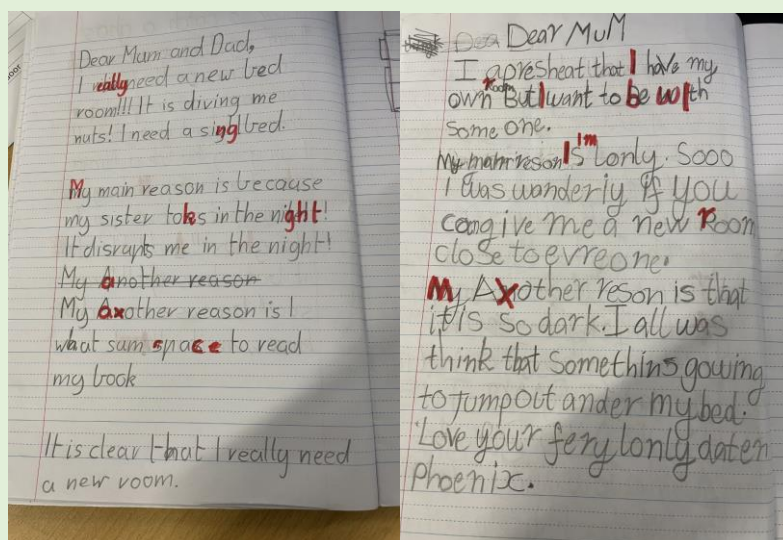

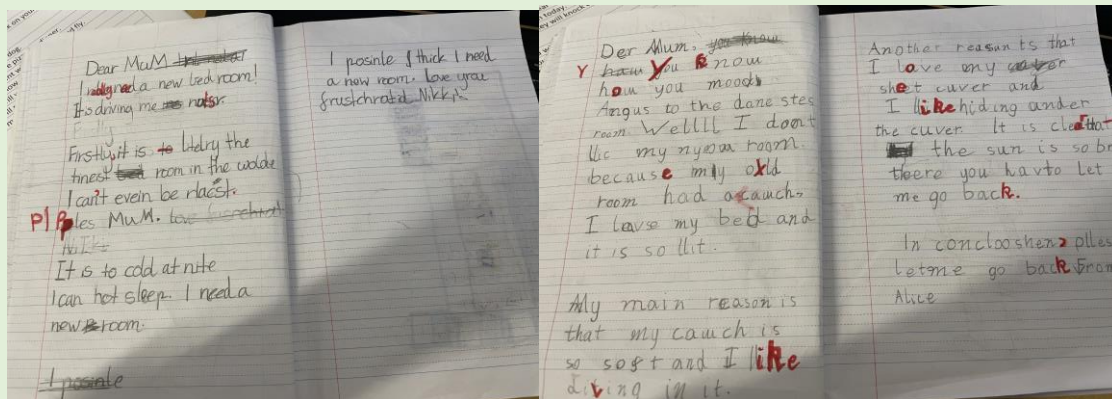

After

reading **'Can I be Your dog?'** by Troy Cummings, students wrote their own persuasive letters with the sentence starter, 'Can I be your ...? (Animal of choice) Next, the Wallabies wrote a response with the sentence starter 'Can I be your person?'

## **Piranhas- Snapping up Success**

In Writing, the Piranhas have been learning about using the correct text structure and vocabulary when writing persuasive texts. We listened to the story 'I Wanna New Room' by Karen Kaufman and 'zoomed-in' to the convincing language the author used. We used anchor charts and sentence stems to help develop our understanding of persuasive language and structure.

## King Parrots

This week in maths the King Parrots have been exploring **capacity**. Students predicted the capacity of different containers and then used their skills to find the actual capacity using unifix. They were then able to compare their prediction to the actual amount, find out the difference and compare the capacities of different containers.

### ***Awards***

**Junior S- Archie**

**Junior J- Alice**

**Junior P- Lucius**

**Junior R- Cid**

# Senior News

## Requests

As part of our History Inquiry unit on Explorers, students in Grades 3 and 4 are creating a diorama to present their findings. All students will need to bring in a shoe box or similar size box to use to create their diorama. If anyone has extra boxes that they are willing to donate that would be appreciated.

## Writing Grade 5/6

In writing the Grade 6 students began creating their Memoir books. This is an autobiography piece that allows the students to reflect on their Primary school journey. This week the students drafted, edited, and published their favourite primary school moment.

The Grade 5 students began creating their Buddy Books. This is a recount that the students put together to pass on to their 2023 buddies. This allows the future Grade Preps to understand what to expect for when they begin their Primary schooling and for them to have a greater understanding of who their buddies are. This week the Grade 5 students drafted, edited, and published a piece on their first day of school.

## Bluearth

This week in Bluearth it was the Phillip house captains turn to run the session. The Grade 5/6's played a game of 'Capture the Flag' (When it was not raining). To finish the session the students participated in some breathing/yoga/stretching exercises as a cool down. Well done Olivia, Fletcher and Finn for running this session! Here are some photos of our session:

## At Home Reading

We expect every child to read for at least 20 minutes at home every day. This helps to build fluency, reading skills and strategies that your child is working on in class and helps to foster a love for reading.

## Awards

# ANGLESEA LIONS CLUB CHRISTMAS STOCKING RAFFLE

## THE CAUSE

Every year Anglesea Lions Club runs a Christmas Stocking Raffle. The aim is to raise \$3,000 to go towards bursaries for grade six students from Anglesea and Aireys Inlet Primary Schools, to help them begin their secondary school education.

We are running the raffle online at

<https://www.raffletix.com.au/lionsxmasraffle2022>

## THE PRIZE

A Christmas stocking valued at over \$1000, with something for everyone in the family, including toys, beach gear, tools, food, and vouchers!

## THE DRAW

The prize draw will be conducted at the Anglesea Carols by Candlelight 2022 at the Village Green at 7.30pm on Wednesday the 21st December, 2022. Winners will be notified by email or text message.

## HOW TO BUY TICKETS:

**ONLINE:** Visit the website via the QR code and buy tickets using your credit card.

**WITH CASH:** If you prefer to pay cash, see a Lions Club Member

**Please note:** All tickets will be sent via text message.

## The Lions Club of Anglesea Present Lap The map

November 12-14

Can Anglesea citizens collectively walk to Adelaide to support Diabetes Awareness, Prevention and Research?

Walk from the Shelter in the Anglesea Lions Park Reserve to the Beach and return on Saturday, Sunday and Monday Nov 12-14 in collaboration with Lap the Map to raise money for Diabetes Awareness, Prevention and Research. Together we will aim to have a combined distance of 729km to reach Adelaide.

Option 1: Walk to the Beach Playground and return - 2 kms  
 Option 2: Walk to the Beach and along to the Surf Club Ramp and return - 3 kms

Register at the Lions Park Reserve between 9am and 11.30 am on Nov 12-14. Walk with your family and friends at your leisure, alternatively email us and we will compile the total distance walked.

**Gold Coin Donation**  
 All funds raised will go towards Diabetes awareness, prevention, and research
