## ***Reminders***

- Please label all personal belongings (including drink bottles and lunch boxes)
- Encourage your child/ren to put their bags into their locker and go outside for a play on the playground when they arrive at school
- Wear comfortable running shoes on Monday's and Tuesday's/Wednesday's for Bluearth and PE

## ***Nightly reading***

Please continue with nightly reading. We encourage parents and students to use letter sounds (not names) when reading their books, word list and alphabet chart. We have included some prompts on the word list in your child's reader folder to help them with their reading.

## ***Requests: Play dough***

We would love some new Play dough for the Juniors if anyone can kindly make or buy some. Please no peanut oil if you are making it. The recipe is on the back of the Cream of Tartar packet you can buy at any supermarket... or google one of your choice. Thanks so much.

## ***Requests: Shoe Boxes***

We would love donations of shoebox size boxes for the preps to use in mathematics. If you happen to have any of these at home we would greatly appreciate it if you could donate them to the school. Please hand these to Mr Turner or Mrs Rankin.

## ***Bluearth***

This week Mitch was back to teach the students Bluearth and we all had a blast! We started off outside enjoying the beautiful sunshine and playing tail tag, before we moved into using all of our 'senses' to pass the ball to one another. Below are some photos of the preps with Mitch.

## ***Tinker Time***

In Tinker Time on Monday the students explored pixels. A pixel is a minute area of illumination on a display screen, one of many from which an image is composed. Students used coloring and unifix cubes to represent pixels to make and copy images. Below are some photos of the work they produced.

## TOUR DE ANGLESEA

The Year 4 students wrapped up their 6-week Bike Ed unit last Friday with the annual Tour De Anglesea.

After five weeks of scootering, riding, hazard avoidance and skill and road rule practice, we hit the streets and tracks of Anglesea accompanied by two fabulous volunteers from Camp Wilkin.

Our tour firstly headed bush up Coal Mine Road, meandered through Coogoorah Park, took in the back streets in between the park and Camp Wilkin before returning to school with Mr Surkitt bringing up the rear in the support vehicle.

The students did a fabulous job safely riding, communicating, and supporting each other as we rode.

## Senior Community News

As we enter the colder months of the year, we suggest students bring clothing appropriate to the weather conditions. Particularly in the portable classroom, it can take a some time for the reverse-cycle system to warm up the classroom. As with any items brought to school, please ensure that they are clearly named.

A reminder that should you need to contact your child's teacher, please do so in the first instance via email. Teacher's email addresses are below or available on Compass

**Specialists:** Senior Specialists are on Tuesday afternoons (12:30pm-1:30pm & 2:30pm-3:30pm) and Wednesday mornings (9:00am-11:00am). Students will rotate through PE, Art, Music/Creative Arts and Global Studies. Can you please ensure that your child/ren wear appropriate footwear on these days to ensure that they are able to run and move comfortably and safely when doing PE.

**At Home Reading:** We encourage every child to read for at least 20 minutes at home every day. This helps to build fluency, reading skills and strategies that your child is working on in class and helps to foster a love for reading.

**Donation Requests** As we come into the cooler months where colds and runny noses become more common, it would be fantastic if families could please donate a box of tissues for the learning space that their child/ren are in. Thank you to those families who have already donated.
