Dear Parents of Anglesea Primary School,

### **KELLY CLUB OSHC AT ANGLESEA PRIMARY SCHOOL**

Kelly Club is very excited to announce we will be starting at Anglesea Primary School in Term 1 2023.

Kelly Club provides OSHC before and after-school care programmes throughout Victoria. Our aim is to provide not just 'a childcare facility', but to create a safe environment where children can have fun and benefit from in a number of ways.

Kelly Club is closely aligned with Kelly Sports. Kelly Sports has been providing a range of curricular and extra-curricular sporting programmes for children in Australia since 1994.

Our OSHC programmes are focused on sports, cooking, art and craft activities as well as structured 'free-time' around a busy day at school. These activities are incorporated into themed subjects each week that give children the opportunity to extend their learning outside of the school classroom. We believe it is important that children get the opportunity to enjoy play and engage with friends, while being under the supervision of quality staff, during out of school care programmes.
