### CURRENT COVID-19 PROTOCOLS AT SCHOOL.

- In the morning, students are to walk through one of the gates by themselves.
- Parents/carers/visitors are to not come into the school grounds unless absolutely necessary.
- Parents/carers/visitors are to not come into the school buildings at all.
- The children are welcome to wear a face mask if they wish.
- Adults must follow social distancing protocols of keeping at least 1.5m apart and wear a face mask.
- At the end of the school day, parents/carers of Prep – 2 students can wait for their children outside the Café area. The Junior teachers will walk the children to this area. Again, parents/carers are asked to keep at least 1.5m apart and wear a face mask.

**WELCOME NEW STUDENTS.** This week we welcomed Frankie (JRC) and Olivia (JRJ) to Anglesea Primary School, and we hope they enjoy being a part of our community.

**COVID-19 RESTRICTIONS/SCHOOL EVENTS.** See below the current restrictions and the impact on our events:

- Camps and excursions cannot take place at this time.
- School events, gatherings, assemblies, and non-essential meetings should be deferred or held remotely. We had planned to rehearse and film the Geelong Music and Movement Festival performances in Week 1 and 2 of this term. This is currently on hold.
- All inter-school activities should be deferred or held remotely. The Surf Coast Sporting Association (SSA) are meeting next week regarding our upcoming inter-school sporting events.
- Playgrounds are open for school use during school hours. Community use can occur outside of school hours only.
- Use of school facilities by community and sport groups is permitted outside of school hours.
- Prep 2022 Transition programs cannot take place at this time. Prep Transition 4 which was scheduled for Friday 15<sup>th</sup> October is cancelled. I've written to parents of our 2022 Preps saying that hopefully Prep Transition 5 and 6 will occur on Friday 12<sup>th</sup> November and Friday 10<sup>th</sup> December respectively, and that we hope to hold extra sessions which like last year were called at short notice when the restrictions allowed.

**CONGRATULATIONS EVAN.** I was thrilled to learn that one of our students, Evan in SRT, has been selected to have a speech he wrote read out in parliament for the Raise Your Voice Campaign. Evan raised his voice on something that is very important to him and to so many people and that is to stop pollution and look after our environment better, so that we can all enjoy a cleaner and better future. Local member Libby Coker will read Evan's speech in parliament in late October. Below is Evan's speech.

It's time to stop polluting!

By Evan Gavens

I am 9 years old and worried about the world I am growing up in. We need to stop polluting this world. It is bad for our environment, destroying the atmosphere and making it unhealthy.

I think the best way to stop polluting is to do helpful things for our environment. There are loads of things we can do including making and using renewable energy such as solar, use of electric cars and building up not across.

Renewable energy reduces the use of fossil fuels that create carbon emissions and destroys our natural seas and land.

Instead of using fossil fuel cars we should use electric cars that rely on renewable energy.

I think we should build up and not across so we don't continue to destroy our natural environment. By building up it means we don't use up farming land and destroy more trees. Trees are important for catching carbon emissions.

In conclusion, I strongly believe we should take more actions to stop pollution and save our environment now. Please take action now for the people of my age.

**SAFETY WORKS ALONG CAMP ROAD.** As mentioned in the newsletter last term, our school council have been in communication with the Surf Coast Shire regarding how to make the journey to/from school safer for students and parents. Improvement works have been approved and initial works to install bicycle parking rails for parents to park their bikes near the crossing and walk onto the school grounds are scheduled soon.

**VALUE OF THE WEEK.** This week we continue to focus on Responsibility – We are on time and on task:

- We arrive to class on time.
- We are organised with all of our learning materials before class begins.
- We are focused and do our best learning in class.

Next week with the Seniors returning to school on a part-time basis we will focus on all of our values:

- Respect. We listen to our teachers and each-other.
- Responsibility. We do our best work.
- Kindness. We speak politely to each-other.
- Collaboration. We assist others when help is needed.

**ASSEMBLY.** Assembly will be held this Friday at 2:45pm via WebEx. Once again, our school captains Sienna and Felix will be running the Assembly remotely for us. Here is my link and meeting number:

### Writing

We had a lot of fun writing and sharing all the interesting and exciting things we did during the school holidays. Students thought of 3 'snapshots' of their holiday and recounted them by writing about who was involved, what they did, where they went, when it occurred as well as an interesting sentence about each event. They then shared their work with each other.

## Senior Learning Community News

### Welcome back!

We hope all families had a great and restful break! We are super excited to be back and ready for the term ahead of us!

All teachers are really looking forward to students returning to the classroom. We ask that you remind your child/ren to bring their learning materials (iPad, books, etc.) with them on the days that they are at school. As it is Term 4, the school's Sun Smart policy is in effect which means that students need to have a wide-brimmed hat for all times spent outside (recess, lunchtime and sports).

## Curriculum

On Monday students in Senior K and Senior L designed and built bridges according to a specific criteria. The bridges had to be at least 1 metre long and hold as much weight as possible. To the right is an example of the completed challenge by Asher. Asher built a 'Bike Bridge' that could easily take the combined weight of himself and his mountain bike!

On the left is Tora's example of a bridge built using icky-pole sticks and hot glue. On the right is Hugh's bridge. Hugh used triangles as his base shape as they are the strongest shape in structures. Hugh tested the weight capacity of his bridge by using the informal measurement of mandarins.

## Lock Down Recipes

During the last week of Term 3 students in Senior K and Senior L planned, prepared and cooked a recipe for their loved ones. Below are some examples of their tasty dishes. We have Vivie's 'Flaming Lava Eggs', Fletcher's 'Chicken Parm', Indy's 'Makaronia (Greek Pasta)' and Joaquin's 'Choc Chip Cookies'.

### Flaming Lava Egg By Vivie Tucker

<p><b>Ingredients</b></p> <ul style="list-style-type: none"> <li>• Eggs x8</li> <li>• Potatoes x4</li> <li>• 1 packet of grated cheese</li> <li>• 8 slices of bacon</li> <li>• Tooth picks</li> </ul>	<p>I chose this recipe because it is easy to make and I just love every single ingredient in it, and guess what! Luckily it only takes about an hour to make and you can have it for breakfast, lunch or dinner!</p> <p>Enjoy your creamy, melty, crunchy, munchy, delicious, flavourful, delightful, mouth water, pleasant meal.</p>
<b>Method</b>	
<ol style="list-style-type: none"> <li>1. Turn the oven onto 200 degree Celsius</li> <li>2. Peel your potatoes and scoop out the middle. (I recommend boiling your potatoes for about 10 minutes so it is easier to scoop out the middle.) Cut off the end.</li> <li>3. Wrap a slice of bacon around each potato. Secure with a toothpick.</li> <li>4. Put in the oven for 30 minutes.</li> <li>5. Take your potatoes out of the oven and put an egg and grated cheese in the middle. Put back in the oven for 15-18 minutes</li> <li>6. Take out of the oven and enjoy!</li> </ol>

Because it's my favourite food</p> <p>-Is it a family favourite? Not quite it's mine</p> <p>- Does it cater towards any dietary requirements? I don't know I don't have any</p> <p>-Yield: [number of servings] three</p> <p>-Prep Time: 45m</p> <p>-Total time: 75m</p>

**Makaronia** (Greek pasta)  
By Indy

1-To prepare the sauce begin by heating up a large pan to medium-high heat and add the olive oil, stir in the chopped red onions and grated carrot, stir until softened and slightly darker. Stir in the garlic, mince and tomato paste gently breaking it up with a spatula until caramelized. Add the red wine and wait to evaporate. Pour in the tinned tomatoes, water, sugar, cinnamon stick, bay leaf and a pinch of salt and pepper, put the heat down to a low heat and let simmer for about 25 minutes or until most of the juices have evaporated.

2-Cook the spaghetti in salted boiling water then drain the pasta in a strainer.

3-Get a half a cup of oil and put it in a pan with your cooked spaghetti, stirring it and not allowing it to burn, once it has fried a bit add something cut cheese. Once finished add more cheese (accordingly to your choice) and serve.

**Ingredients**

**Sauce**

- [chicken mince] | [750g]
- [red onions] | [2]
- [garlic cloves] | [2]
- [carrot (optional)] | [1]
- [chopped tomatoes] | [400g]
- [water] | [1/4 of a cup water]
- [sugar] | [1 tsp]
- [red wine] | [1 cup]
- [sea salt and pepper] | [1 pinch]
- [bay leaf] | [1]
- [cinnamon stick] | [1]
- [olive oil] | [1/4 of a cup]
- Spaghetti
- [spaghetti] | [1 packet]
- [salt] | [1 pinch]
- [boiling water] |
- Olive oil [2 tsp]
- [cheese (specifically parmigiana)] |

This Bolognese like dish was originally introduced to me by my grandma, so cooking this reminded me of her and eating it at her house. What makes this dish different from other spaghetti meals is the fact that the pasta is fried in oil and cheese, it makes the meal have a better texture and more unique taste. This can serve up to 4 large bowls.

**Choc chip cookies**

By Joaquin :)

**Ingredients**

- 185g butter
- 165g brown sugar
- 1 egg

**Method**

1. Preheat oven to 170 degrees/150 degrees fan forced. Grease and line baking trays with baking paper.

2. Using a spoon beat the butter and brown sugar until pale and creamy

3. Add egg, beat until just combined

4. Stir in flour and choc chips.

5. Roll level table spoons of mixture into balls, place on tray and cook for 15 minutes in oven

**Fun fact!**

The cookie monster's favourite kind of cookie is choc chip. :)

**Curriculum**

In writing, students in the 3-4's have had a focus on descriptive language. For their task this week, they had to find 4 items around their house that were sentimental to them or someone from their family. Each day, they created a clue for a different item and today they gave their clues to a member of their family. Below are some examples of the clues the students came up with!

**Treasure hunt**

**Clue 1. She's not my sister, she's not my Aunty but something in between.**

**You will find her sleeping, eating or playing. She is cheerful, happy, joyful and fun to play with. She is quiet when she sleeps and loud when awake. In this photo she is neither. You will find her where she rests her head, and when you do you want to give her a hug**

where is she?

**Treasure hunt**

**Clue 2. hello hoot hoot I am looking at you now I am usually tucked away in a little white box but this time I may be on top of your socks I may not. I could be where you wipe your feet but you never know because I'm usually in the dark wink wink I'm nocturnal good luck**

where am I?

**Treasure Hunt**

**Clue 3. It always said hello to me in my younger years. There is a pair of beady eyes almost every 17 1/2 cm i got it in AUTUMN and I thought it was a STAR it could be illustrated by my aunty MEM who is as funny as a FOX. A hand, a tail, toes, nose, eyes, paws, jaws, tusks or a wink YES.**

What am I?

Cryptic clue 1 : 🛏️ 😊 🌿

This item has been with me for a while now, maybe 5 years, it's soft, round, but with a few lumps.

It lays on my bed, most of the time, and has begun to fade in colour.

But it will always be shining bright.

What am I?

Cryptic clue 2 : 🦒 🐼 🐱

This is pretty tall, yellow in colour, and has lost an eye.

It's maybe 30 years old at the least, but still standing strong.

Is has patches on its fur that make it look like a cheetah.

What am I?

Cryptic clue 3 : 🖱️ 🖱️ 🖱️

Black, orange, shiny, round, This item sits on something, and protects it, made of glass, plastic, and rubber.

These are seen on a daily basis. And have been around for a while.

What am I?

I have a glass screen. I capture a moment in time, a precious memory that can't be forgotten until I disappear. What am I

Create your own unique plant character inspired by Anglesea and Aireys Inlet's native species with artist and animator Scarlet in this one day workshop event. Starting with an outdoor ramble in the bush to inspire and educate, you will collect ideas and learn ways of documenting whilst engaging thoughtfully with the environment, before returning to Community House to develop and refine your ideas. You will get to draw and finalise your design and create it into a paper split-pin character which we will bring to life through photography and stop motion animation techniques.

Scarlet Sykes Hesterman is a Naarm (Melbourne) based artist and animator currently living and working in Anglesea on the Land of the Wadawurrung People. Her interest in the natural world has informed her practice, engaging people through art, film and characters. She works with digital and analogue techniques and has had work shown at animation festivals including the Melbourne International Film Festival.
